

LEGAL NOTICE

The Tehama County Flood Control and Water Conservation District (TCFC&WCD) is accepting nominations for three seats on the ten member AB3030 Groundwater Technical Advisory Committee (TAC). The open positions are to represent 1) AD2, Agricultural Sector, including agricultural-related water districts; 2) AP2: A water user from the agricultural sector representing a private pumper or diverter; 3) NR, Natural Resources Interests, representing the environment, water based recreation and timber interests on issues for a three-year term on issues related to groundwater management in Tehama County

The Advisory Committee is designed to allow and encourage citizens to have a meaningful and active role in implementing the adopted AB3030 Groundwater Management Plan and the development of the Tehama County Groundwater Sustainability Plan.

Applicants should be committed to meet quarterly, on Mondays from 2:00 p.m. to 4:00 p.m. and should have background, experience or general knowledge in the area of water, domestic water use or irrigation, especially relative to local groundwater issues. Members should be residents of Tehama County, and/or be employed in Tehama County.

Nomination forms are available from the Tehama County Flood Control and Water Conservation District website www.tehamacountypublicworks.ca.gov and office in Gerber, Corning City Hall and the Tehama County Board of Supervisors office in Red Bluff

To nominate someone, or oneself, submit a nomination form to the District Office at 9380 San Benito Avenue, Gerber, by December 16, 2016 at 4:00pm

For more information call Ryan Teubert, Flood Control and Water Resources Manager (530)385-1462.
